.General Science 1000

Course Outline, Section 2

Life Systems

Contact Information

Section Instructor:	Michael Moore	Phone: 343-8179
Email:	mnmoore@lakeheadu.ca	Office: TBA
Office Hours:	TBA	

Overview

This is designed to give basic knowledge in Life Sciences and General Biology.

Lectures: October 6 – November 1; T, Th 4:00-5:30 pm **Location:** AT-2019

Topics:
- Characteristics and Needs of Living Things
- Growth and Changes of Plants and Animals
- Diversity, Habitats and Communities
- Humans and the Environment
- Human Development and Systems
- Cells, Tissue and Function

Format: The section will consist of a series of lectures, a 1-2 page assignment, and a multiple choice exam. The assignment will be to choose a Biology or Life Science related topic (it can be something interesting that you have seen or read about) and write a 1-2 page summary of how you would present it to your classroom. The topic for the assignment must be cleared by the instructor.

Marking Scheme: This module is worth 1/6 (16.7%) of the final mark for the course
- 50% Assignment
- 50% Exam (multiple choice, based on this section only)

Due Dates:
- October 13 – deadline to choose assignment topic
- November 1 – deadline to submit assignment
